

We believe...

- ...each child is a unique individual.
- ...children learn about themselves and the world around them through play and exploration.
- ...positive interaction with the children and adults is important.
- ...in a cooperative effort between parents and educators.
- ...in the development of the whole child: social, emotional, cognitive, physical and spiritual.
- ...each child deserves a happy, safe, nurturing and fun learning environment.

Parents are welcome to visit, call, ask questions and offer suggestions.
